

SENSORY BIN

farm

3+

Enjoy hours of imaginative play! Scoop, sort and explore the treasures inside your sensory bin.

CARE AND SAFETY

- Children should be supervised during play - not suitable for children under 3.
- Prepare the area under the bin with a towel or table cover to collect any spills.
- Children should wash their hands before use.
- Sensory Sand should be kept away from the eyes, nose and mouth. If contact should occur, rinse the area with water.
- Water and humidity will change the consistency of your sensory sand - add a bit of water or air dry as needed to return it to its original texture.
- Wash the accessories as needed with warm soapy water.
- Keep the sensory bin closed when not in use.

WARNING:

CHOKING HAZARD - Small parts.
Not for Children under 3 years.

Assemble

Have an adult gently empty the bags of sensory sand into the bottom of the bin in sections. Try to create rows of dirt for your crops and an area for your animals to play. Arrange all the other items in the bin. Help your child assemble the fence.

Play!

Rake, create and play while engaging your senses. Have fun gardening and playing with your animals on your farm adventure.

Note to Parents - Using the rake and playing with the animals are fun ways for your child to practice their fine motor skills and hand-eye coordination.

Fun things to try:

- Count the items inside the bin.
- Name each animal.
- Make up a story about your farm adventure.
- Call out the colors of each item.
- Memory game: Parents - hide some objects under the Sensory Sand. Have your child guess what is missing.
- Close your eyes and grab an item from the bin. See if you can identify it using your sense of touch.
- Imagine you are on the farm; What sound does each animals make?
