

CURVED GAZING GLOBE STAND

ZIB-881

Review all information before using this product. Save this manual for future reference.

SET-UP

1. Unfold the legs of the stand, ensuring they are evenly spaced.
2. Tighten the wingnut beneath the gazing globe cradle.
3. Place a gazing globe (not included) into the globe cradle and tighten the screws. Take care not to over-tighten the screws as doing so may break the stem of your gazing globe.

USE & CARE

- Choose a flat, level location to place the stand.
- Avoid high-traffic areas such as locations where children and pets play.
- Occasionally check the wing nut to ensure it remains secure.

CLEANING

Clean the unit with a soft, damp cloth.

! IMPORTANT INFORMATION !

- Do not bend the metal.
- Remove your gazing globe (not included) from the stand during windy conditions.
- To prevent rusting, store indoors during winter and inclement weather conditions.

Any modification to the product or failure to follow recommended care will void the product warranty.

If you experience issues or the product was damaged during transit, please contact our customer service team through one of the methods mentioned at the top of page 1. Please have the item number and order information ready to expedite response time.

! WARNING:

Manufacturer and seller expressly disclaim any and all liability from personal injury, property damage or loss, whether direct or indirect, or incidental, resulting from the incorrect attachment, improper use, inadequate maintenance, or neglect of this product.
