EL-300GFEB-L

300-BOTTLE DUAL-ZONE WINE COOLER (LEFT)

Store up to 300 standard Bordeaux bottles in this sturdy wine refrigerator. With two temperature zones, the EL-300GFEB-L Dual-Zone Wine Cooler was made to accommodate red and white wines at their most optimum temperatures. Adjusting the settings is also easy with a centrally located digital control panel. Perfect for the garage or basement, this unit can be displayed freestanding or installed into cabinetry. Adjustable shelves allow for bulk storage and for larger bottles sizes like Champagnes and Magnums. A solid door and lock will help stash away your favorite bottles and keep your collection secure, while left and right side LED lights provide all the interior lighting you will need to locate your wine.
