Features & Benefits

- Easy-to-pour powder with a refreshing scent.
 - Safe for Septic Systems
 - World's #1 Recommended Brand*
- (*Recommended by more dishwasher brands worldwide.)

FINISH® POWDER

Automatic Dishwasher Detergent

Use Instructions

- Fill your dishwasher detergent dispenser completely. If you have heavily soiled dishes and/or hard water, use slightly more detergent.
- Use less detergent if you have very soft water.
- Run your dishwasher.
- Optimal water temperature is 140°F
- Store in a dry environment.
- Be careful to close the spout after each use to help keep the product dry (and to avoid spills!).
