

MAG[®] Ice Melter

Ice Melting Pellets

High performance ice melt and de-icer for exterior walkways, parking areas and entry ways.

Features & Benefits

- Melts ice effectively at temperatures as low as -13° F (-25° C)
- Less damaging to concrete than most ice melters
- Works immediately
- Leaves no residue
- Low toxicity

Applications

- For exterior walkways, parking areas and entry ways

MAG[®] Ice Melter

Ice Melting Pellets

Use Directions

- This fast, low temperature ice melter is ideal for melting ice on drives, steps, and walks.
- Apply product sparingly, 67–134 grams per square meter (2–4 oz. per sq. yard), then remove melted slush.
- If the snow depth is more than 5cm (2 inches), all de-icers - including Ice Melt - are impractical..

pH	8.2 (at 10% in aqueous solution)
Scent	No Odor/Odorless
Shelf Life	2 years

Product	Pack size	Dilution	Product code
MAG [®] Ice Melter	1 x 50 lb / 23 kg Bag	Ready-to-use	4563023 

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
