

NASAL SPONGES, FOIL PACK

ITEM 3168

Dynarex Nasal Sponges are highly absorbent plugs designed to help manage and control nose bleeds. The soft, flexible sponges are designed to absorb blood effectively with minimal discomfort.

- Soft, flexible design helps manage nosebleeds while providing optimal comfort
- Highly absorbent foam sponge expands to provide gentle pressure for effective blood absorption
- Individually wrapped to maintain hygiene and reduce the risk of contamination
- Suitable for post-operative care
- Fiber-free and non-toxic for optimal safety
- Not made with natural rubber latex
- 3 per box, 100 boxes per case
