

# Dahle 51414 Shredder

DAHLE CleanTEC® Oil-Free Shredder

The DAHLE CleanTEC® 51414 Office Shredder destroys confidential information while producing cleaner air. It features an internal filter system that traps up to 98% of harmful fine dust particles, oil-free, hassle-free operation, and Trident Grip jam protection to eliminate frustration. This P-4 shredder produces a 1/8" x 1 9/16" particle size and holds up to 30 gallons of shredded waste. It's German engineered, and guaranteed to provide many years of trouble-free operation.

this oil-free, hassle-free shredder. Through clever engineering, this machine maintains peak performance without the aid of oil.

## JAM PROTECTION

The cylinders Trident Grip design produces three continuous points of contact with the paper, pulling it straight through the cylinders providing unprecedented jam protection. The result is a machine with strength, power and the ability to handle all of your data destruction needs.

## DAHLE CleanTEC®

Breathe easy while using the world's only shredder with a fine dust filter system. This integrated system permanently traps up to 98% of the fine dust, and provides a cleaner, healthier work environment.

## SMARTPOWER

This shredder automatically powers down after 30 minutes of inactivity. It will appeal to those interested in conserving energy as well as reducing electrical costs.

## Product Features

### CleanTEC® Fine Dust Filtration

- Closed system collects up to 98% fine dust particles
- Provides cleaner, healthier work environment

### Oil-Free / Hassle-Free Shredding

- Maintains performance without the need for oil
- Environmentally friendly

### Trident Grip Jam Protection

- 3 continuous points of contact prevents paper shift
- Reduces jams and eliminates frustration

### SmartPower Energy Management

- Reduces energy consumption automatically
- Saves on electrical costs

### German Engineered for Reliability

- Peace of mind- trouble free operation

**Shreds CDs, Credit Cards, Clips, & Staples**

The CleanTEC® filter traps up to 98% of the fine dust and provides a healthier work environment.

Aggressive cutting edges provide grip and superior shredding performance.
