DRINK IN THE JOY

## MEET OUR WILLAMETTE VALLEY PINOT NOIR

You know that kind of summer evening, when time feels like it's running on a different clock? That delicious moment where low-key relaxation meets the high-vibe buzz of togetherness. Laughter comes easily, conversations flow as freely as the drinks – it's all fireflies and no mosquitos.

That's the vibe of our vibrant Pinot Noir – bright, crunchy, and refreshingly tart. We've kept the ferment cool and the time on skins brief to capture pure, juicy fruit flavors. And because we like to bend the rules for better enjoyment, we added a splash (4%) of our Unsanctioned Pinot Gris for an unexpected floral lift that makes this wine uniquely crushable.
