THE ORIGINAL MULTI-POSITION LADDER

Little Giant® Ladders didn't just perfect the multi-position ladder—we invented it.

SCAN TO SEE IT IN ACTION!

ONE LADDER. UNMATCHED VERSATILITY

A-frame. Extension. Staircase. 90-degree wall position. One ladder that locks into whatever the job demands. Built for constant change, rugged jobsites and pros who don't slow down.

SET UP IN SECONDS

Quickly adjust the ladder's height and shape using the patented Rock Locks™ and Palm Buttons for fast, secure positioning.

TWO CAN CLIMB. BOTH CAN WORK.

Both sides are rated to 300 lbs—built strong so two people can be on the ladder at the same time in A-frame position.

ROLL WITHOUT THE STRAIN

Tip & Glide™ wheels take the weight off, speeding up transport and cutting down fatigue. Your energy belongs on the job, not getting there. *not available on Model 13

SCAFFOLD-READY

Convert the Velocity™ into a trestle-and-plank system for a wider, faster workspace, using compatible accessories. Accessories sold separately.
