Se	CLION	

Identification

500 Greenview Court Vernon Hills, Illinois 60061-1862 Phone: (847) 968-5050

CHEMTREC 24 Hour Emergency Phone Number (800) 424-9300

For laboratory and industrial use only. Not for drug, food or household use.

Product GELATIN	
Synonyms Protein	
Section 2 Hazards identification	
This substance or mixture has not been classified as hazardous according to t Globally Harmonized System (GHS) of Classification and Labeling of Chemical Signal word: Not classified Pictograms: Not classified Target organs: None known GHS Classification: Not classified GHS Label information: Hazard statement(s): Not classified	

Hazards not otherwise classified:

Health hazards not otherwise classified (HHNOC) - Not Known Physical hazards not otherwise classified (PHNOC) - Not Known

Section 3 Composition	Composition / information on ingredients				
Chemical Name	CAS #	%	EINECS		
Gelatin	9000-70-8	100%	232-554-6		
Section 4 First aid me	easures				

INGESTION: Call physician or Poison Control Center immediately. Induce vomiting only if advised by appropriate medical personnel. Never give anything by mouth to an unconscious person.

INHALATION: Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical attention.

EYE CONTACT: Check for and remove contact lenses. Flush thoroughly with water for at least 15 minutes, lifting upper and lower eyelids occasionally. Get immediate medical attention.

SKIN ABSORPTION: Remove contaminated clothing. Flush thoroughly with mild soap and water. If irritation occurs, get medical attention.

Section 5 Fire fighting measures

Suitable Extinguishing Media: Use any media suitable for extinguishing supporting fire.

Protective Actions for Fire-fighters: In fire conditions, wear a NIOSH/MSHA-approved self-contained breathing apparatus and full protective gear. Use water spray to keep fireexposed containers cool.

Specific Hazards: During a fire, irritating and highly toxic gases may be generated by thermal decomposition or combustion. Dust dispersed in air becomes explosive when exposed to ignition sources. If spills become wet, surface will become slippery.

Section 6 Accidental release measures

Personal Precautions: Evacuate personnel to safe area. Use proper personal protective equipment as indicated in Section 8. Provide adequate ventilation.

Environmental Precautions: Avoid runoff into storm sewers and ditches which lead to waterways.

Containment and Cleanup: Sweep or vacuum up and place in a suitable container for proper disposal. Wash spill area with soap and water.

Section 7 Handling and storage

Page E2 of E2

Precautions for Safe Handling: Read label on container before using. Do not wear contact lenses when working with chemicals. Keep out of reach of children. Avoid contact with eyes, skin and clothing. Do not inhale dusts. Use with adequate ventilation. Avoid ingestion. Wash thoroughly after handling. Remove and wash clothing before reuse.

Conditions for Safe Storage: Store in a cool, dry, well-ventilated area away from incompatible substances.

Section 8	Exposure controls / personal protection				
Exposure Limits:	Chemical Name	ACGIH (TLV)	OSHA (PEL)	NIOSH (REL)	
Exposure Linits.	Gelatin	None established	TWA: 15 mg/m ³ total dust	None established	

Engineering controls: Facilities storing or utilizing this material should be equipped with an eyewash facility and a safety shower and fire extinguishing material. Personnel should wear safety glasses, goggles, or faceshield, lab coat or apron, appropriate protective gloves. Use adequate ventilation to keep airborne concentrations low.

Respiratory protection: None should be needed in normal laboratory handling at room temperatures. If dusty conditions prevail, work in fume hood or wear a NIOSH/MSHAapproved respirator.

Appearance: Solic Odor: No odor.	r nysicar ana chem	ical properties					
Odor threshold: D pH: Data not avail	able point: Decomposes omposes	Flammability (so Explosion limits Vapor pressure Vapor density (<i>I</i> Relative density	e (= 1): Data not av. blid/gas): Data not av. : Lower / Upper: Data (mm Hg): Negligible kir = 1): Data not avai (Specific gravity): >1. soluble in cold water, so	ailable. a not available lable 0	Auto-ignitio Decomposi Viscosity: I Molecular f		Data not available : Data not available e.
Section 10	Stability and reactive	vity					
Chemical stability: Conditions to avoi	Stable d: Excessive temperatures		polymerization: Will	not occur.			
Incompatible mate	rials: Strong oxidizers.						
Hazardous decom	position products: Carbon	oxides and nitrogen oxid	es.
