

# Anti Chlor

# 62A1

## Neutralizer - anti chlor

Clax® Anti Chlor is a laundry sour specially formulated for use in commercial and on premise laundries. This product should be applied in the last rinse to neutralize residual alkali and to reduce traces of active chlorine.

### Features & Benefits

- Effective neutralization of both residual alkalinity and traces of chlorine in rinse water and on fabric
- Avoids chemical damage to fabrics by eliminating chlorine residues, lengthening fabric life cycle
- Prevents yellowing of fabric by eliminating the washing residues of alkaline products
- Reduces fabric roughness by effectively neutralizing chlorine and alkali residues
- Saves water, labor, time and energy by reducing the number of final rinses in the wash process

### Applications

- Should be applied in the last rinse to neutralize residual alkali and to reduce traces of active chlorine
- Can be used on most types of fabric

# Clax<sup>®</sup> Anti Chlor

Neutralizer - anti chlor

## Use instructions

### Chlorine and Alkalinity Neutralizer for Use in Commercial Laundries

- Use this product as directed by your Diversey representative. It is designed to be dispensed directly to the laundry machine by a Diversey dispenser and should not be diluted manually.
- This product can be used in all commercial washing machines but is generally not recommended for use in homestyle washers. It is typically supplied to the final rinse step of the wash cycle.
- It is dispensed at various rates depending on use conditions. Typical dose is 1-8 fl.ozs./cwt (30-240 mls/45 kg).

Note: Keep from Freezing

## Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at [www.diversey.com](http://www.diversey.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
