Thanks so much for choosing Evenflo Gold.

With your purchase comes our promise to deliver the highest level of products, service and support for the journey ahead. Relax, breathe easier, and enjoy some extra special treatment with your new Pivot Xpand Modular Stroller with Tile® Bluetooth® Tracker.

You're Gold now, baby.

ready your **STROLLER**

- 01. Unfold your stroller.**
Release the fold lock, grab the handle, and pull upward until stroller opens fully with an audible click.
- 02. Snap each wheel to the stroller frame.**
Ensure you hear them click into place.
- 03. Secure the seat and buckle up your babe.**
Check your work, and enjoy the ride!

This guide highlights important steps in your owner's manual and is not a replacement for it. Please read all the instructions and warnings in the owner's manual before using this product.

CONNECT WITH TILE®

04.

Join a community of finders.

Download and open the free Tile app. Remove Tile Mate from packaging and look through the instructions.

05.

Get your Tile ready to go.

Follow the steps in the Tile app to activate. Insert your new Tile Mate into the provided pouch.

06.

Attach the pouch.

Hide Tile anywhere on your stroller. Please keep out of reach of children. See photos for placement recommendations.

Evenflo Company, Inc. or its affiliates make no warranty, express or implied, regarding any products manufactured by Tile, Inc. Any defects or warranty issues experienced with any Tile-branded products must be addressed directly with Tile, Inc.

This product contains transmitter FCC ID 2ABXLT9001

TUCK IT AWAY

Hide it in the stroller canopy, storage basket, or another spot out of your babe's reach.
