

BIG BEAR HEATED CHAIR & LOVESEAT

The Lippert Big Bear heated chair and loveseat delivers customizable warmth with dual heat zones and durable outdoor construction, ensuring comfort and convenience wherever you go. Stay cozy and supported with its spacious design and easy portability.

ADVANCED HEATING TECHNOLOGY

Three Heat Settings

Customize your warmth with the simple touch of a button delivering 2-1/2 hours on high, 4-1/2 hours on medium and up to 6-1/2 hours of run-time on low

Battery Included

Equipped with a robust 10,000 mAh battery, this portable power bank ensures long-lasting warmth, whether you're at a campsite or on your patio. 2 batteries included with loveseat

Convenient Battery Pouch

The left chair arm features a zippered top and a mesh pouch, providing secure storage for the battery. Battery pouch located on both arm rests of loveseat

Extra Convenience

Single (chair) and dual (loveseat) cupholders for hands free convenience

Versatile Storage

Expandable back mesh pocket conveniently holds personal belongings

Carry Bag Included

Lightweight and easy to transport

The above image is representative of the chair and loveseat's internal heating zones. The heating elements are not exposed and do not glow red, even at the warmest setting.
