- The flexible design allows sanding on both flat and curved surfaces with ease
- Ideal for wet/dry sanding because of the rubber base and plastic grips
- Ergonomic design ensures a comfortable grip, reducing fatigue and allowing for longer sanding sessions
- Spring-loaded steel clamps are easy to use and securely hold the sandpaper
- Use with a variety of grit 3 in x 10-yard self-adhesive or standard backing sandpaper
- Quality rubber base and PP (Polypropylene) for the grips
- Uses a very common auto body paper size 3 in. x 11 in.
