

The first ever programmable patio awning for your RV or trailer is here. New for 2018, the Solera® Smart Arm™ 12V Power Awning incorporates several intelligent features sure to enhance everyone's camping experience. Best of all, these new features are all accessible from a weatherproof controller built right into the awning arm itself, making for easy and convenient access without having to go inside the RV to operate the switches. It's not called the Smart "ARM" for nothing!
