

Sensory Bin

#6284000
Age 3+

OUTER SPACE

Enjoy hours of imaginative play! Scoop, sort and explore the treasures inside your sensory bin.

CARE AND SAFETY

- The contents of this sensory bin have been tested to meet/exceed toy safety standards.
- Younger children should be supervised during play.
- Prepare the area under the bin with a towel or table cover to collect any spills.
- Children should wash their hands before and after use.
- Space rocks should be kept away from the eyes, nose and mouth. If contact should occur, rinse the area with water.
- Wash the space rocks and accessories as needed with warm soapy water and air dry.
- Keep the sensory bin closed when not in use.
- Retain this information and phone numbers for future reference.

WARNING:

CHOKING HAZARD - Small parts.
Not for Children under 3 years.

Assemble

Have an adult gently empty the bag of space rocks into the bottom of the bin. Spread them out to cover the surface evenly. Open and arrange all other items in the bin.

Play!

Scoop, discover and learn while engaging your senses. Use the tools to collect and explore your space objects. Watch the stars glow in the dark!

Note to Parents - Using the scoop and tongs are a fun way for your child to practice their fine motor skills and hand-eye coordination.

Fun things to try:

- Count the items inside the bin.
- Name each item and creature.
- Make up a story about your space adventure.
- Call out the colors of each item.
- Memory game: Parents - hide some objects under the space rocks. Have your child guess what is missing.
- Close your eyes and grab an item from the bin. See if you can identify it using your sense of touch.
- Imagine you are in outer space, what sounds do you hear? Now use your nose, what can you smell?
