

COTTON TIPPED

WOOD APPLICATORS

Dynarex Cotton Tipped Wood Applicators are designed with highly absorbent cotton to help care for wounds, apply topical dressings, and clean medical instruments. The Applicators are crafted to uniform length and shape for optimal reliability. The premium Applicators are available in sterile and non-sterile varieties and come packed in convenient pouches or clear plastic vial. Dynarex Cotton Tipped Wood Applicators are ideally sized for first-aid kits and emergency bags.
