

ADA Compliant Lavatory Tubular Covers - Safety Series

For under-lavatory exposed plumbing in bathrooms. The Universal Design securely covers brass and plastic tubular with and without cleanouts. Accommodates both 1-1/4" and 1-1/2" tubular systems.

- Universal offering to cover brass, plastic, and Schedule 40 tubular
- Hook and loop fasteners make installation fast and simple
- EVA foam is easy to cut, size and measure to fit
- Easily accommodates offset supply lines
- Clean appearance and aesthetics

BRASS, PLASTIC AND COMMERCIAL TUBULAR/GRAB BARS

Build a Better P-Trap with Premium TPE BLUE® Washers

Dearborn Brass® offers a complete line of lightweight and dependable plastic tubular products for all installations in 1-1/4" and 1-1/2" sizes. Dearborn tubular meets the industry standards and provides consistent quality and reliability. All of our P-traps include TPE BLUE premium washers. These washers incorporate a specially formulated blue Thermoplastic Elastomer (TPE) to prevent drying out and cracking. The material has superior flex fatigue resistance and extends the life of the product. Better yet, the TPE is flexible, easier to install and provides a secure seal with simple hand tightening.
