

MP1019SEC MULTI-PACK SOLUTION

Power, surge protection and USB charging solutions for home and office electronics

The Cyberpower MP1019SEC combo pack comes with one 4-outlet surge protector strip, one USB charger, and one single-outlet power cord.

The surge protector in this combo pack provides 500 joules of protection to prevent damaging power spikes and surges from reaching your small electronics and two 2.1-Amp USB ports to quickly charge USB-powered devices, including tablets. The surge suppressor comes with a Limited Lifetime Warranty and a \$15,000 Connected Equipment Guarantee.

The USB Charger, with 5 USB ports at 2.4 Amp guarantee for each port, quickly charges and powers your mobile devices by plugging into a standard AC outlet. The compact

design ensures easy portability and convenient use in your home and other locations. The TR15U8A USB Charger can power smartphones, tablets, MP3 players, digital cameras and many other USB powered devices. The USB Charger is backed by a one-year limited warranty.

This Reach & Charge™ USB & AC Power Cord provides one standard-spaced outlet and two 2.4 A shared USB charging ports, perfect for mobile devices, fitness trackers, and smart home devices.

The GC106U has a stylish, braided cord that prevents tangles and stores easily when not in use. A low-profile plug fits in tight spaces to keep power within reach. The power cord is backed by a one-year limited warranty.
