**RESOLVE®****Oxi-Action Stain Remover Carpet Cleaner****Use Instructions****Before Cleaning:**

Test a hidden section of carpet for colorfastness. Allow test area to dry completely and observe for any color change. Remove loose dirt and blot wet soils with a clean absorbent cloth.

For Use:

Spray area with Resolve

Wait five minutes

Blot or rub gently with a clean, damp, colorfast cloth or sponge

Rinse sponge or cloth and repeat as necessary. **For Best Results:** Treat stains immediately. Set in stains can be more difficult to remove. If last portion of product is difficult to dispense, turn trigger 180 degrees to face opposite direction.
