## HANG-A-LIGHT

The next generation of temporary overhead lighting from Southwire is here with two new integrated LED products. These new Southwire Hang-A-Light® models are ready to be hung right out of the box, with no assembly required. Once installed, they will distribute either 13,000 or 19,500 lumens around your jobsite, giving you the light you need to get the job done safely and efficiently. As an additional convenience, you can daisy chain these products using the supplied 10 foot cord with a plug and 1 foot cord with a receptacle. Backing your investment is a 3 year warranty from Southwire.
