

# Spitfire® RTU & SC Power Cleaner

Spray-and-wipe cleaner that removes the toughest dirt, grime, oils and stains from a wide variety of surfaces.

## Features

- Works on the toughest dirt, grime and stains on a wide variety of surfaces
- No rinse formula can lift grease, ink, crayon, marker, adhesive, gum, food soils, scuff marks, graffiti and oil.

## Benefits

- Effective on a wide variety of surfaces
- Cleans a wide variety of soils
- Ready-To-Use and concentrated formula available for convenience and operational efficiency.
- Leaves no residue

## Application

- Just spray and wipe
- Ideal for kitchens, schools, offices, break rooms, day care centers, restaurants and other commercial facilities.
- Can be used on counters, walls, stove tops, appliances, restroom fixtures, cabinets, floors, doors, and concrete.

### Use Directions

- Spray on hard surfaces to be cleaned.
- Allow power cleaner to penetrate and lift soils.
- Wipe with a clean cloth.
- Does not require a water rinse after use.
- Do not use on glass, aluminum or water-based paint.
- Suitable for use in areas where food or packaging will not TM/M come in contact with spray or surface during or after the use of this product.

### Smartdose Application:

Dilute product into a properly labeled spray bottle according to the dilution instructions on the side panel. Once the solution is made in the spray bottle, apply Spitfire® Power to the surface to be cleaned. Wipe with clean cloth or towel to dry.

**FEATURING SMART DOSE™** 1:13 (Normal Soil - Makes 25 Bottles)  
1:16 (Heavy Duty - Makes 20 Bottles)

### Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at [www.sealedair.com](http://www.sealedair.com) or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
