

FURRION

0.9 cu. ft. Built-In Convection Microwave Oven with Air Fryer

Microwave and convection ovens meet rapid air frying technology in Furrion's built-in convection microwave oven with an air fryer. This 0.9 cu. ft., three-in-one wonder means you can heat up leftover pizza, broil chicken, or have fries ready for the kids with just one space-saving appliance on board.

LIPPERT

Multiple Cooking Functions

We wrapped your three favorite kitchen appliances into one! The Furrion built-in convection microwave oven with an air fryer is a must-have appliance for the tight quarters of your camper. With 900 watts of microwave output power and 1,450 watts of convection oven power, you can defrost, reheat, bake, and cook in a flash. Plus, you can enjoy all the benefits of an air fryer, right from your microwave. The cooking menu includes a pre-programmed popcorn option, making movie nights in your RV easier than ever. The internal glass turntable also rotates 360° to heat your food evenly. Trim kit #FMAML09-BL-TK (sold separately) can be added for under-cabinet or island installs to save counter space.

0.9 cu. ft. capacity
