GLASS GAZING GLOBE

Please read this manual carefully before use and save it for future reference.

CHOOSING A LOCATION

Always place the gazing globe in a secure location where it will not fall or roll as that may cause it to break. If using a gazing globe stand (not included), ensure the stand can support the size and weight of the gazing globe.

CLEANING

1. Gently clean the outside of the gazing globe with mild detergent, water, and a soft cloth.
2. Rinse thoroughly and gently wipe dry with a soft towel.

! SAFETY STATEMENTS & WARNINGS !

- Do not allow water to accumulate inside the globe as it may damage the unit. If water has collected, remove the rubber seal and empty water. Allow the inside to dry thoroughly before replacing the seal
- Do not use harsh chemicals or abrasive materials or chemicals to clean the gazing globe.
- Store indoors during high winds and during freezing temperatures; allowing the glass to freeze may cause it to crack or break.

Any modification to the product or failure to follow recommended care will void the product warranty.

If the product was damaged during transit, please contact our customer service team through one of the methods mentioned at the top of page 1. Please have the item number and order information ready to expedite response time.
