Gel Crayons Instructions

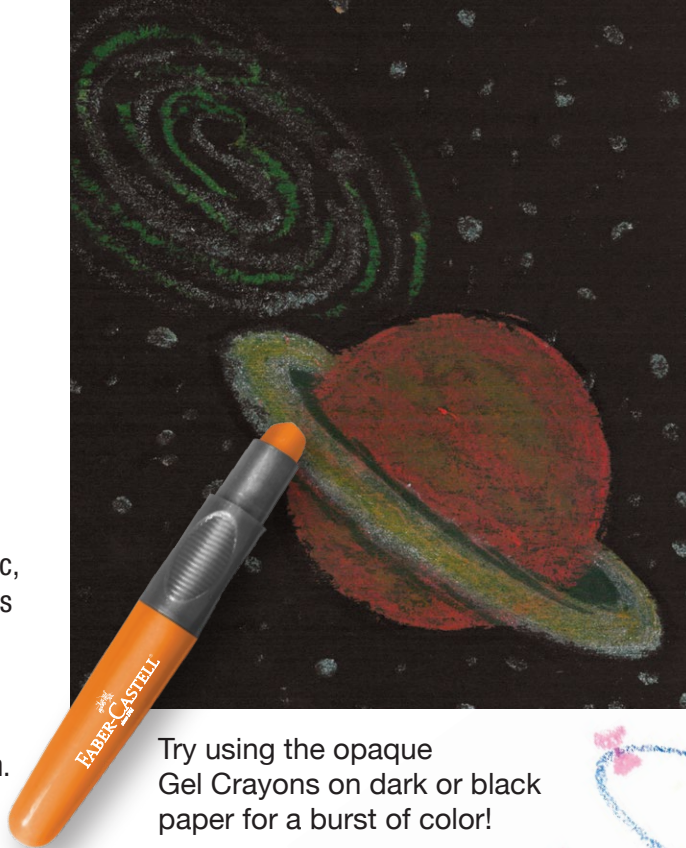

Gel Crayons are soft and buttery crayons with vibrant colors. They can be used on papers, chipboard and smooth surfaces like glass and mirrors.

Important Information about the Gel Crayons!

The gel crayons included are non-toxic, though they may stain porous surfaces or textiles so be careful!

Cover your work surface and wear a smock or old clothes. The non-toxic pigment may rub onto clothing or skin.

Wash off with soap and water.

Try using the opaque Gel Crayons on dark or black paper for a burst of color!

Use the opaque Gel Crayons to decorate windows and mirrors for the holidays or parties. *Remove with paper towels and water.*

Use your fingers to smudge and blend the Gel Crayons.
