Magnetic Storage Caddy

Versatile | Two Mounting Options

Secure a barcode scanner, non-contact forehead thermometer, hand sanitizer bottle, and more with this handy magnetic storage caddy. Designed for our wall-mounted workstations, storage cabinets, and mobile carts—where space is often at a premium—the caddy's movable magnet permits a parallel or perpendicular orientation without restricting access or sacrificing utility.

Features:

- Parallel or perpendicular mounting options
- Durable, non-scratch thermoplastic coating
- Available in white or black
- Sturdy, 18 gauge steel construction
- Accommodates items up to 4 pounds

Add convenient storage and function where it's needed

Parallel Mount

For interior mounting in 4" deep workstations or mobile cart drawers.

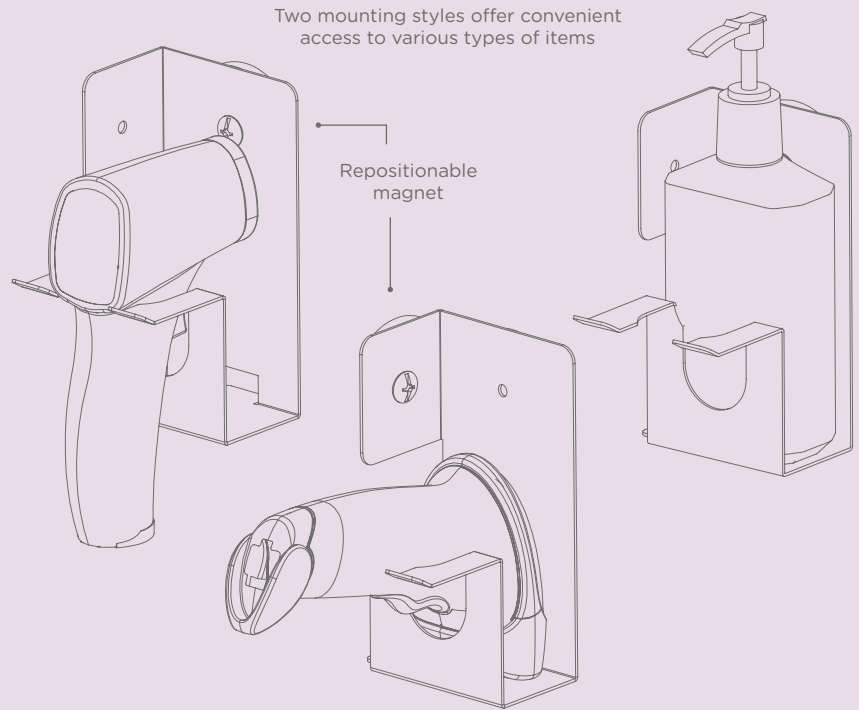

Perpendicular Mount

For interior mounting in 6" or 8" deep workstations or exterior mounting to workstations.

Create additional storage capacity from nearby metal surfaces, like the sides of our wall-mounted workstations, storage cabinets, and mobile carts with this versatile magnetic caddy that offers custom-tailored utility.

Use it as a dock for handy access to a barcode scanner or non-contact forehead thermometer. Or easily secure other caregiving essentials in the caddy, like an 8 oz. bottle of hand sanitizer, for more convenient use.
