

Build a Competitive Advantage with
The PURELL SOLUTION™

The PURELL® Brand Signals Your Facility's Commitment to Excellence

Proven to Help Athletes Stay in the Game

Winning takes pride, commitment and focus. When athletes are locked in on their goals, they're at their best – but when they're sick, that focus is compromised. The PURELL® brand gives athletes the confidence to get in the game without distractions like illness.

100%

MRSA & VRE
Reduction

PURELL® Products Help Eliminate MRSA & VRE Found on Surfaces

A recent study shows that after implementing a comprehensive program that includes PURELL® Hand and surface products, no MRSA or VRE pathogens were present on commonly touched surfaces.¹

95%

Bacteria
Reduction

The PURELL SOLUTION™ Can Keep Your Athletes Healthier

When used as part of a comprehensive wellness program that includes products and educational tools, PURELL® products have been shown to reduce the overall number of bacteria by 95 percent.¹

80%

Have a More
Positive Impression

PURELL® Products Have a Halo Effect

In a recent survey, 80% of people surveyed had a more positive impression of a facility when PURELL® products are made available.²

Introducing The PURELL SOLUTION™ for Athletic Facilities

We're proud to offer a complete set of products that holistically fight the spread of germs in athletic facilities. These uncompromising hand sanitizers, hand and shower soaps, and surface disinfection products eliminate the choice between products that are effective and products people feel great about using.

The PURELL SOLUTION™ for Athletic Facilities –

Access to PURELL® products, combined with educational materials about athlete hygiene is shown to reduce bacteria in training rooms by 95%, and MRSA from 13% to 0%.¹

PURELL® Brand HEALTHY SOAP® with CLEAN RELEASE® Technology

Made with cleaner ingredients to remove soils and germs better than regular soap^{3,4,5*}, these formulations help keep hands cleaner and healthier.

PURELL® Professional Hand Sanitizer

America's #1 hand sanitizer brand⁶ kills 99.99% of most common germs that can cause illness, and is formulated with the mildest, most effective ingredients.

GOJO® Shampoo and Body Wash

Shower-specific formulations that clean and care for skin, without leaving residue in showers. Available in reliable, easy-to-maintain dispensing systems that can withstand locker room environments.

Proven to Reduce Germs by 95%¹

PURELL® Professional Surface Disinfectant

Break the cycle of cross-contamination by eliminating 99.9% of germs on surfaces throughout your facility. A recent study found that of the surfaces sampled, 25% showed the presence of influenza, but after using PURELL® Professional Surface Disinfectant as part of The PURELL SOLUTION™ for Athletic Facilities, no influenza was detected.¹

Rapid Kill Time

Eliminates Listeria, Cold & Flu, MRSA, VRE, Hand Foot & Mouth and Norovirus in 30 seconds

No-Rinse Formulation

This one-step disinfectant kills 99.9% of germs on surfaces, and doesn't require rinsing, for quick, effective germ removal

Multi-Surface Efficacy

Proven effective across a variety of hard and soft surfaces throughout your facility, from gym mats & water bottles to pads & helmets

PURELL™ Body Fluid Spill Kit

These kits provide everything you need to safely clean up after an incident. Each kit includes personal protective equipment and written instructions to safely remove vomit, blood and feces.

Premium, Easy-to-Maintain Dispensing

The Difference is Clear

PURELL™ ES dispensing systems represent the latest innovations in dispensing technology and aesthetics. Engineered for reliability, these systems help reduce maintenance while looking great, year after year.

Dispensers can be personalized with your facility's name and logo.

PURELL® ES8 Dispensing System

The PURELL® ES8 Dispensing System addresses the two biggest maintenance concerns – empty refills and worn-out batteries.

AT-A-GLANCE™ Refill Design

With just one look, maintenance staff can easily spot which dispensers need attention and which don't, maximizing efficiency.

Breakthrough Energy-on-the-Refill Technology

Each refill contains its own energy source, so when you replace a refill, the system gets a fresh energy supply in one simple step.

Systems for Hands
