CRYOVAC™
RESEALABLE BAGS

INDUSTRY TOUGH

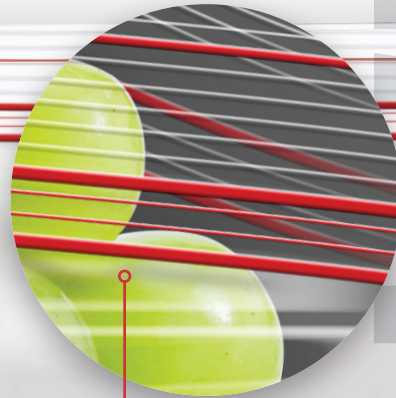

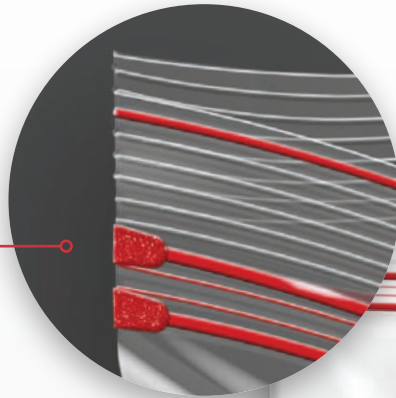

For decades, food industry professionals have depended on Cryovac technology to protect and preserve. Built on that same tradition of commercial-grade durability, Cryovac's line of resealable freezer, storage, and sandwich bags are perfect for storing both food and non-food items. Available in two gallon, one gallon, one quart and sandwich sizes.

Cryovac resealable bags are engineered to protect with innovative features and tested in the most rugged, industry tough environments.

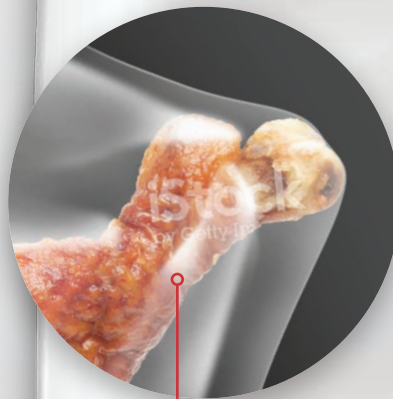

ULTRASONICALLY WELDED ZIPPER CORNERS

Minimize ripped side seams*

DOUBLE ZIPPERS

Make the top easy to align, ensure a tight seal, and provide hassle free access

PRO-STRENGTH

Designed to stand up to rough handling and sharp edges

A BAG FOR EVERY SIZE AND APPLICATION

Cryovac brand resealable bags are available in retail quantities as well as commercial bulk packs—which offer self-dispensing convenience and bottom-line value for high-volume operations. Kosher certified, BPA free, microwave safe, (when used as directed), and with write-on labels,* *no matter what goes in, these feature packed bags securely protect and minimize waste.*

*Write on labels and ultrasonically welded zipper corners are not available on sandwich size bags.
