

See safety datasheet (if applicable) and product label for safety information, handling and proper use.

Directions for Use

Dispense OXYGEN BOOSTED DETERGENT 79 directly from its shipping container using an automatic liquid dispensing system. The authorized representative servicing your facility will establish a program suitable for your individual requirements.

Oxygen Boosted Detergent 79 is a non-phosphate, environmentally preferable, liquid detergent designed to be used on personal linen. Oxygen Boosted Detergent 79 is a combination of detergent and oxygen bleach. Brightens, whitens and attacks tough stains. Leaves linen smelling fresh. Can be used in both homestyle and high efficiency machines.

Features & Benefits

- Non-Phosphate.
- Combination product.
- Includes color safe bleach.

Item Number & Unit of Measure

Item Number	HIL0354706
