## PARTS

## GETTING STARTED

1. Connect base center poles (A).

2. Attach the base legs (B) to the center (A).

3. Slide lower net poles (D) into the net sleeves (E).  
Insert lower net poles (D) into the base legs. (B)

4. Insert upper net poles (C) into the lower net poles. (D)  
Slide the Net (E) up the poles and connect the clip at the top to the upper net poles.

5. Attach loops at the bottom corners of the net to the hooks on the base legs.

6. Attach hook and loop strap on the net bottom to the base center.

7. Place net in the desired location and ensure it is on level ground. Secure frame with included ground stakes (F).

**NOTE:** Care should be taken when pressing in the ground stakes. Base legs can be bent if driven too far into the ground or hard surface.

**WARNING:** Make sure the net is secured into the ground before play. During play, make sure the ground stakes are secured as loose ground stakes may cause injury.
