

**Customer Service**  
The process of providing assistance and support to customers before, during, and after their purchase.

**Customer Satisfaction**  
The degree to which a customer's expectations are met or exceeded by a product or service.

**Customer Retention**  
The ability of a company to keep its customers over time, reducing the need for new customer acquisition.

**Customer Lifetime Value (CLV)**  
The total revenue a business can expect to generate from a single customer account throughout their relationship.

**Customer Feedback**  
Information provided by customers about their experiences with a product or service, used to improve quality.

**Customer Segmentation**  
The process of dividing a market into distinct groups of customers based on shared characteristics.
