

Designed to Impress, Engineered to Perform

PURELL CX™ Counter Mount Soap Systems

The condition of your restrooms affects how people perceive your business. PURELL CX™ dispensing systems combine high-quality soap with elegant, easy-to-maintain fixtures. This gives you the ability to exceed your guests' expectations for high-quality standards while simplifying your daily tasks.

Game-Changing Operational Efficiency

Designed to accommodate the thousands of uses they get each day in a high-traffic facility

Better Wash Experience

Perfectly paired fixture and formulation to consistently deliver optimal foam performance every time

Commercial-Grade Construction

Durable construction above and below the counter built to handle frequent use

Unmatched Beauty and Performance

With sleek design and finishes from chrome to gold, PURELL® counter-mount foam soap dispensing systems compliment your facility's high-end image. A full range of options are available, from simple push-style systems to elegant, top-fill touch-free systems that simplify maintenance. You get reliable performance and luxurious foam soap, formulated specifically for counter-mount dispensing.

PURELL CXM™

PUSH-STYLE

Durable and reliable push-style system. No batteries to change.

PURELL CXT™

TOUCH-FREE

for HIGH TRAFFIC

All-metal components.
Waterproof electronics. Best-in-class durability and reliability.

PURELL CXR™ FIXTURE

TOUCH-FREE TOP FILL

Fills safely from the top.
Optional service alert module.

Revolutionary top-fill design eliminates panel removal for refilling			YES
On-spout indicator lights take the guesswork out of knowing when to refill or when to change batteries			YES

The PURELL CXR REDIFOAM™ System

The Ultimate in Maintenance Ease

The PURELL CXR REDIFOAM™ system is ideal for high-traffic facilities. The high-performance, top-fill fixture eliminates the hassle and hazards of removing panels and crawling under counters to change out soap cartridges.

Maintenance Ease

Top-fill design reduces labor time by 57% and eliminates safety concerns¹

Luxurious REDIFOAM™ Soap

Fragrance free or lightly fragranced formulations with essential oils for an unparalleled user experience

Better for You and the Environment

Rinses fast and clean, saving about 9 gallons of water per refill compared to regular soap^{2,3}

Clean Seal System

Unique, self-preserved REDIFOAM™ formulation helps the dispensing fixture remain clean and clog free

Medical-Grade Connections

Maintains an airless fluid transfer with no drips or spills

Commercial-Grade Construction

Ultra-durable construction above and below the counter with all-metal components that are built to handle frequent use

Always Ready

Foam is created at the point of dispensing, so the system doesn't lose its prime

Eliminates the need to remove under-counter panels to refill the soap.

SMARTLINK™ Capability

Optional plug-in modules for smart system integration

Reservoir

High-capacity, puncture-resistant 2L reservoir
Also available in a 1L for space constrained areas

Energy options

Multiple power options: hardwire, AC or 4 "D" size batteries

Under-counter View

Under-counter panels no longer need to be removed to refill the soap.

The PURELL SOLUTION™. Proven, Trusted Formulations.

The PURELL SOLUTION™ combines the #1 brand of hand sanitizer in Canada⁴ with innovative hand soap and surface disinfection products that work alongside revolutionary dispensing options and advanced technology that provides no-trade-off protection, so you never have to choose between products that are effective and products people feel great about using.
