

FOLDING SQUARE SIDE TABLE DMR-869

Understand and follow the care instructions. Save this document for future reference.

General Use & Care

SAFE USE: For residential use only. Only use on a flat, level surface. Do not sit or stand on the table.

MOVING: Always lift furniture when moving it around, never drag it.

INSPECT: Periodically check hardware and tighten as necessary.

CLEANING: Use a damp cloth to clean as needed and wipe dry with a soft cloth.

EXPOSURE: Over time, sunlight and weather elements may degrade and change the color of natural wood. Avoid leaving wooden furniture in the rain or high-humidity climates as wood expands and contracts with moisture and humidity changes. If this item is not used for extended periods, cover it with a breathable cover or store it indoors.

PROTECT: Always wipe up moisture promptly and dry with a soft cloth. Avoid dragging sharp or rough objects across the surface of your wood furniture. Using coasters is recommended. Avoid direct contact with products that may react with and/or stain the wood, including, but not limited to, rubber bumper pads, glass containers, candle wax, and outdoor heating sources.

WINTER CARE & STORAGE: Protect this item from inclement weather, especially ice and snow. Move it to an indoor location that is cool and dry. Covering while in storage is recommended to help prevent dust build-up.

! SAFETY STATEMENTS & WARNINGS !

- Do not exceed the weight capacity of the furniture.
- Do not sit, stand, or climb on the table.
- Inspect hardware often and tighten loose hardware before use.
- Do not put hot items on or near furniture.
- Keep furniture a safe distance from heat sources such as fire pits, patio heaters, and grills.
- Do not use harsh chemicals or abrasive materials to clean the furniture.

Any modification to the product or failure to follow recommended care will void the product warranty.

! WARNING:

Manufacturer and seller expressly disclaim any and all liability from personal injury, property damage or loss, whether direct or indirect, or incidental, resulting from the incorrect attachment, improper use, inadequate maintenance, or neglect of this product.
