

THE ORIGINAL[®]

CARBON BLACK EDITION

CARBON BLACK EDITION

The Carbon Black Original[®] pays tribute to “The Glove That Started It All” in celebration of Mechanix Wear’s 30-year history of protecting hardworking hands across the globe. This limited-edition glove pulls inspiration from the strength, durability, and unique design of Carbon Fiber to deliver an elevated design visual to the most trusted glove in the industry. The Carbon Black Original[®] provides the same proven protection, dexterity and durability that has made The Original the most recognized and most frequently worn work glove by anyone with a toolbox.

FEATURES

- 1 Carbon fiber inspired visual designed TrekDry[®] back of hand.
- 2 Adjustable Thermoplastic Rubber (TPR) closure with customized 30th anniversary branding creates a secure fit to your wrist.
- 3 No-slip silicone grip printed palm provides increased grip and durability.
- 4 Reinforced thumb and index finger improve durability.
