Happy Hour Hustle Instructions

Contents:

- 100 Challenge Card Coasters
- 2 Happy Hour Meters
- 2 Cups
- 2 Ping Pong Balls
- 1 Kazoo

Object of the Game: Be the first team to successfully complete a challenge from each category.

Set Up:

1. Separate the challenges by category and shuffle the five decks separately. Place the five decks of Challenge Cards in a row in the middle of all players.
2. Place the Cups, Ping Pong Balls and Kazoo by the Challenge Cards.
3. Divide into two teams and give each team a Happy Hour Meter.

How to Play:

1. Decide which team will attempt a challenge first by flipping a coin, an arm wrestling competition, “nose goes” or, if you can’t think of another creative way to decide, the team with the youngest player should go first.
2. The first team selects a Challenge Card from one of the five category decks and reads the Challenge Card aloud to all players.
3. The opposing team sets a 1-minute timer and, from the count down of three, the first team has one minute to attempt and complete the challenge on the Card. If the team successfully completes the challenge, they earn the Challenge Card. If the team is unsuccessful, the Challenge Card is returned to the top of that Card’s category deck, and the team must move their Happy Hour Meter to the right one space. When a team’s Happy Hour Meter moves all the way to the last space, that team must discard a Challenge Card from their collection.
4. Play continues back and forth with teams taking turns choosing a Challenge Card and attempting to complete the challenge.

The Challenge Categories:

- **WILD:** Anything goes in this wild deck of challenges
- **SHOWMANSHIP:** Act your way to victory
- **MUSICALITY:** Test your musical skills and knowledge
- **DEXTERITY:** Put your eye hand coordination to the test
- **MENTAL AGILITY:** Try to wrap your brain around these challenges

Winning the Game: The first team to successfully complete and earn a Challenge Card from each of the five categories wins the game and is the ultimate Happy Hour Hustle champion!
