Hillyard Fleet Management

### GEOLOCATION

Know where your machines are.

### USAGE DATA

Know who's using your machine and how it is being used.

### MAINTENANCE

Know the health status of machines.

### TELEMETRY†

Critical machine data is always being monitored for peak performance.

An authorized Hillyard Trident Service Center can view real-time telemetry data, diagnose systems, and update settings over the internet - keeping your equipment running at peak performance - and minimizing downtime.

\* Requires optional Hillyard Fleet Management module and subscription.

† Battery charging information is available on equipment with onboard charging systems.
