

# Professional EASY-OFF®

## Neutral Cleaner

Easy-Off® Professional Concentrated Neutral Cleaner provides effective, low-foaming, rinse-free cleaning without stripping or reacting with the floor surface. This concentrated formula makes up to 64 gallons per bottle, and has a neutral pH. This product can be used in both mop & bucket applications and in automatic floor scrubbing equipment.

### Features & Benefits

- Concentrated Neutral Cleaner effectively cleans any water-safe surface
- For use on: floors, walls, and any water-safe surface. Contains no alkalis, phosphates or ammonia

# Professional EASY-OFF®

## Neutral Cleaner

### Use Instructions

- Dilute product with warm water in mop bucket, trigger sprayer or automatic cleaning equipment, according to level of soil buildup.
- Heavily Soiled Surfaces - Suggested dilution ratio: 1:64. Amount of product per gallon of water: 2oz
- Lightly Soiled Surfaces - Suggested dilution ratio: 1:128. Amount of product per gallon of water: 1oz
- A dilution ratio of 1:256 (0.5 oz product per gallon of water) may be preferred when used in automatic cleaning equipment.
- Do not use on aluminum. Do not let product sit on vinyl for more than 1 hour.

### Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at [www.diversey.com](http://www.diversey.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
