

Sensory Bin

#6280000
Age 3+

ICE CREAM SHOP

Enjoy hours of imaginative play! Scoop, sort and explore the treasures inside your sensory bin.

CARE AND SAFETY

* Sensory Sand is Gluten Free

- The contents of this sensory bin have been tested to meet/exceed toy safety standards.
- Younger children should be supervised during play.
- Prepare the area under the bin with a towel or table cover to collect any spills.
- Children should wash their hands before and after use.
- Sensory Sand should be kept away from the eyes, nose and mouth. If contact should occur, rinse the area with water.
- Water and humidity will change the consistency of your Sensory Sand. Sensory Sand can be air dried as needed to return it to its original texture.
- Wash the accessories as needed with warm soapy water.
- Keep the sensory bin closed when not in use.
- Retain this information and phone numbers for future reference.

 **WARNING:**
CHOKING HAZARD - Small parts.
Not for Children under 3 years.

Assemble

Have an adult gently empty the bags of Sensory Sand into the bottom of the bin in sections. Spread sand out to cover the surface evenly. Open and arrange all other items in the bin.

Play!

Scoop, create and learn while engaging your senses. Have fun while making and serving pretend ice cream sundaes and cones!

Note to Parents - Using the scoop and cones are a fun way for your child to practice their fine motor skills and hand-eye coordination.

Fun things to try:

- Count the pom poms inside the bin.
- Name each item and color.
- Make up stories and ice cream flavors for your ice cream shop.
- What happens when you mix some of the sand colors. What new colors can you make?
- Memory game: Parents - hide some objects under the Sensory Sand. Have your child guess what is missing.
- Close your eyes and grab an item from the bin. See if you can identify it using your sense of touch.
- Imagine you are at an ice cream shop; What sounds do you hear? Now use your nose; What can you smell?
