

CRC Industries NZ, Auckland NZ

I. Product Description

CRC Glass Doctor restores glass by removing difficult stains, hard water spots, haze, mineral deposits and soap scum from all glass surfaces. **CRC Glass Doctor** polishes away road grime, bugs, salt spray, tree sap, paint overspray, lime scale and acid rain deposits.

CRC Glass Doctor is ideal to use on glass windows on vehicles, boats and buildings, glass shower doors, mirrors, glass balustrades, gas and wood fireplace glass, aquarium and terrarium glass.

Note: For use on glass surfaces only.

II. Features & Benefits

- Restores clarity to glass
- Removes difficult stains, hard water spots, haze, mineral deposits and soap scum from all glass surfaces
- Polishes away road grime, bugs, salt spray, tree sap, paint overspray, lime scale, acid rain deposits, rust marks, exhaust stains and other organic stains.
- Prevents window wiper chatter
- NZ made

III. Application and Directions

- Make sure surface is clean, dry and cool.
- Shake well before and during use
- Pour a small amount of CRC Glass Doctor onto cloth
- Apply in small sections in a circular motion, using moderate pressure.
- Buff surface dry with a new cloth. Turn frequently.
- To clean and remove any lasting residue, we recommend using CRC Glass Cleaner.

Note: For use on glass surfaces only. Do not apply to hot surfaces.

IV. Package Description

Part Number	Size
9225	220ml Tottle

V. Special Precautions

First Aid:

If in Eyes – Immediately hold the eyelids apart and flush the eye continuously for at least 15 minutes with fresh running water. Ensure complete irrigation of the eye by keeping eyelids apart and away from eye and moving the eyelids by occasionally lifting the upper and lower lids.

Refer to Material Safety Data Sheet for more details.
