

10 PC. 60' X 3/4" BLACK ELECTRICAL TAPE

UL LISTED

Suitable for use up to 600V & not more than 176°F (80°C)

FLEXIBLE MATERIAL

Conforms to contours

7-MIL PVC BACKING

Flame retardant and resistance to abrasion, moisture, alkalis, acids

3/4 IN. X 60 FT.

Long enough for most jobs

RUBBER RESIN ADHESIVE

Durable & strong gripping

Item #	Inner	Master	UPC	Packaging
