

CRC Industries NZ, Auckland NZ

I. Product Description

CRC Dry Look produces a durable, deep natural black finish for tyres, mudflaps and bumpers. Quick and easy – simply spray on and let the unique formula produce an intense, long lasting low sheen finish. No rinsing or rubbing required.

CRC Dry Look will make tyres look clean and like new and is ideal for low profile and high performance tyres.

II. Features & Benefits

- Produces an intense, long lasting low sheen finish
- Leaves a deep natural black finish
- Quick & easy to apply
- Contains high performance silicones to protect and enhance tyres
- High endurance - Withstands normal wet conditions

III. Application and Directions

1. Shake can well.
2. For best results, apply to clean, dry tyres.
3. Spray in short bursts, moving around the tyre until covered in a liberal coat. Dry Look will spray on wet. And dry in 5 minutes to a low sheen finish.
4. Overspray should be wiped away with a soft cloth.
