

West Bend Air Crazy 4 Qt. Hot Air Popcorn Machine, in Red

Healthier snacking made easy with the West Bend Air Crazy™ Hot Air Popcorn Maker. Whether it's for everyday snacking or at-home movie nights, you can feel good about serving hot, fluffy popcorn popped the healthier way with hot air, not oil. This 4QT, easy-to-use, compact unit pops up to 16 cups in about 3 mins. A simple on/off button makes operation a breeze. Use the dual-purpose measuring scoop to ensure the right amount of kernels are used and to melt butter for additional flavor.

- Pops up to 16 cups of popcorn in 3 minutes
- Ventilation technology provides improved hot air distribution for better performance
- Dual purpose measuring scoop doubles as butter melting tray
