

Figure 1: Percentage of students who are "Very satisfied" or "Satisfied" (1990-2005). The graph shows a general upward trend in student satisfaction from 1990 to 1998, followed by a decline through 2005. The Y-axis represents the percentage of students, ranging from 0 to 100 in increments of 10. The X-axis represents the years from 1990 to 2005.
