<b>3202UB-1</b>	24" x 72"	1 / bx	50 bxs / cs

- Crafted from highly absorbent cotton gauze to effectively absorb blood and fluids
- Designed to effectively protect wounds and minimize the risk of infection
- Soft gauze dressings help to minimize discomfort and simplify dressing changes
- Suitable for various wound types, including abrasions, burns, and penetration wounds
- Sterile dressings help to maintain a clean healing environment
- Individually packaged for easy storage and portability in first aid kits
- Not made with natural rubber latex
