

Assembly Instructions, #9217

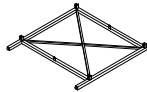

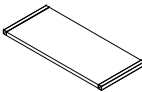

Claudette Narrow Side Table

Note:

A packet with complete set of hardware can be found by pulling the red ribbon that's easily visible upon opening the box.

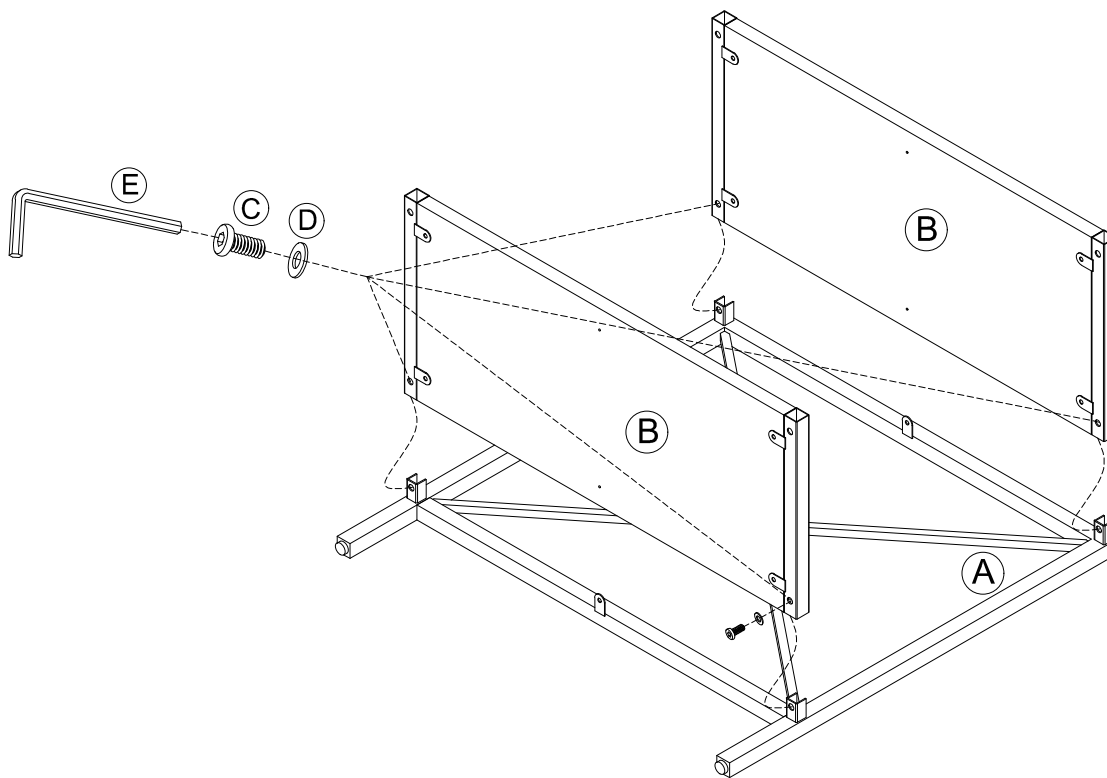

Parts List

A	Side Frames		2
B	Top Panel & Shelf		2
C	Bolts		8
D	Flat Washers		8
E	Allen Wrench		1
F	Screws		4

Step 1

1.1) Lay 1 side frame (A) on a soft surface, put the top panel and shelf (B) on, fit the metal parts into the side frame's tubes.

1.2) Push the panels to the frame to leave no gap between them while fastening the joints with 4 bolts and washers.

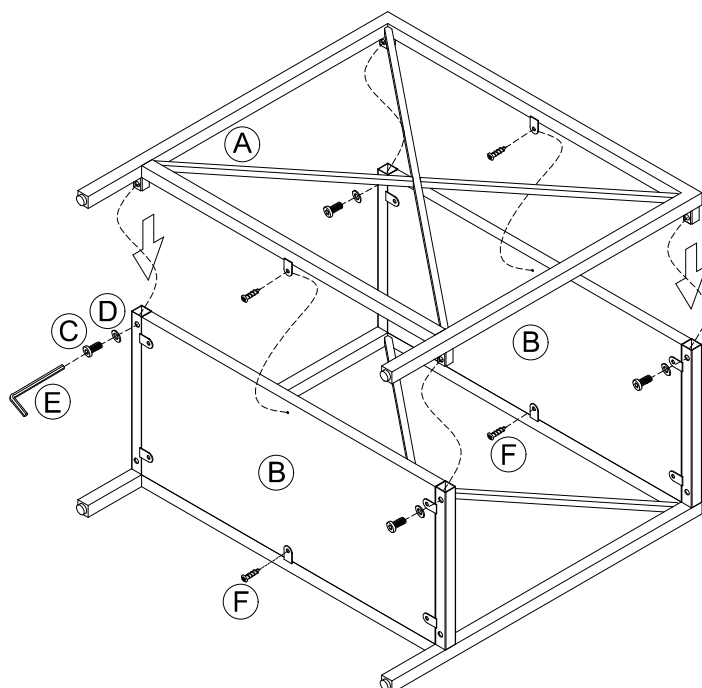

Step 2

2.1) Insert tubes of the other side frame to the metal tubes of top panel and shelf (B).

2.2) Push to make sure all tubes are properly inserted without any gap, fasten with 4 bolts. 2 on top panel and 2 on shelf.

2.3) Fasten panels with 4 screws through the side frame's metal tabs on the bottom.

Step 3

3.1) Place the table upright. Adjust the levelers at the bottom of legs if needed.
