Gel Crayons  
Instructions

Metallic Gel Crayons are soft and buttery crayons with vibrant colors. Use on paper, chipboard, wood, and textured surfaces like watercolor paper.

### **Important Information about the Gel Crayons!**

The gel crayons included are non-toxic, though they may stain porous surfaces or textiles so be careful!

Cover your work surface and wear a smock or old clothes. The non-toxic pigment may rub onto clothing or skin.

Wash off with soap and water.

Try using these on dark surfaces to make the colors pop!

Make a transfer by placing a sheet of plain paper over your coloring and draw. Turn it over to see the results.
