

Purchase Date: \_\_\_\_ / \_\_\_\_ / \_\_\_\_ Order/Customer Reference Number: \_\_\_\_\_

Thank you for choosing Sunnydaze Decor. We stand behind our brand and the quality of the items we sell. Replacement parts or products can be requested within the 1-year warranty period. Proof of purchase must be provided. This includes the date of the purchase as well as photos of the product defect. Photos are used to determine the cause of the defect and to provide future quality control. The request will be reviewed, and replacement pieces will be sent at our discretion. For warranty information, visit <https://tiny.cc/SunnydazeWarranty>

If you have any questions, comments or concerns, feel free to contact us by phone at **833-982-1977**, by email: [customerservice@sunnydazedecor.com](mailto:customerservice@sunnydazedecor.com), or via our contact us page at <https://tiny.cc/SunnydazeContact>

# MOSAIC HUMMINGBIRD FEEDER

**Review all information before using this product. Save this manual for future reference.**

## CHOOSING A LOCATION

A shaded location is recommended for this mosaic glass bird feeders. Mosaic glass can have a mirror-like, reflective effect when placed in full sunlight, which may frighten birds, making a location with indirect sun exposure ideal. Additionally, hummingbird food will spoil less quickly when feeders are kept away from direct sunlight.

## CLEANING

1. Mix a cleaning solution of 1 part vinegar and 2 parts hot water. Separate all components, place the plastic components in the cleaning solution to soak.
2. While the plastic components soak, clean the inside of the mosaic feeder using a soft bottle brush. Then, scrub the plastic components.
3. Rinse all components thoroughly, ensuring all residue and cleaning solution have been removed.
4. Allow components to air dry before refilling.

## SAFETY STATEMENTS & WARNINGS

- Do not use harsh chemicals or abrasive materials to clean the unit as they may damage the product and void the product warranty.
- Do not hang the feeder too close to buildings or objects that may break the feeder during windy conditions. Storing the feeder indoors during high-wind conditions is recommended.
- Store indoors during freezing temperatures as exposure to freezing weather may cause the feeder to crack or break.

**Any modification to the product or failure to follow recommended care will void the product warranty.**

*If the product was damaged during transit, please contact our customer service team through one of the methods mentioned at the top of page 1. Please have the item number and order information ready to expedite response time.*
