

NM14

Compact

Maneuverable

HILLYARD

The Cleaning Resource®

 **TRIDENT®**

Better Built. Better Equipment.

Clean Everywhere

Scrub and Dry In Any Direction

The universal joint allows the NM14 to move in any direction, so you can reach anywhere, cleaning along the walls, in the corners and easily following the outlines of the furniture.

The compact size and low height allows you to clean in very narrow areas without difficulty and even reach under tables and chairs with ease.

Ergonomically Designed

Adjustable
Handle Height

Soft-Touch Anti-Slip
Comfort Grip

Universal Joint
Effortlessly Rotate
Cleaning In All Directions

Always Scrub with Clean Solution

Mops dirty the water on the first rinse, but with the NM14 the clean water never comes into contact with the dirty water. And, the dirty water is not returned to the floor, giving you perfectly clean surfaces.

Two separate tanks deliver maximum cleanliness.

Clean and Dry Instantly

Convenient Cordless Power

Always Ready To Use

No self-discharge. It is always ready when you need it. No memory effect, you can recharge the battery whenever you want.

Fast Charge

You can use the NM14 several times in a single day.

Low Battery Costs

High discharge/charge cycle lifespan.

Handy Battery Charger

Lets you recharge anywhere, without wasting time.

Eliminate the Mop and Bucket

Fill the Water and Detergent Tank

Just add water and your favorite Hillyard cleaner, or fill right from your Hillyard Arsenal® One dispensing system.

Scrub

The rotating brush removes even the most stubborn dirt.

Dry

The squeegee collects the soiled solution. The floor is safe and dry – no need to wait!

Remove

The powerful vacuum extracts the soiled solution and deposits it in the dedicated soiled solution tank.

Better Built. Better Equipment.
