Attaching Inner Carrier Stroller Adapter & Inner Carrier

Before You Begin

First, engage the brakes on the stroller.

You will need the car seat adapters and/or the seat receivers that were sold with your stroller.

Car Seat Adapters*

Seat Receivers*

*The car seat adapters and/or seat receivers may be different than those illustrated here and your stroller may not have seat receivers.

Refer to stroller instruction manual on how to remove car seat adapters and/or seat receivers from stroller frame.

Install the seat receivers* and/or car seat adapters* to your stroller frame as shown in the stroller instruction manual.

Attach the inner carrier to the inner carrier adapter. **ONLY** install the inner carrier rear-facing.

Lift the inner carrier up to check if it is securely attached.

Removing Inner Carrier & Inner Carrier Stroller Adapter

To Release Inner Carrier from Adapter

Pull the lever at the foot of the adapter up.

Then lift the inner carrier up to remove it from the adapter.

To Release Adapter from Stroller

Press the buttons on each side of the adapter.

Then lift the adapter up to remove it from the stroller frame.

Installing & Removing Canopy from Inner Carrier Stroller Adapter

To Attach Canopy to Adapter

Align the canopy hubs with the slots on each side of the adapter.

Then push them down into the slots.
