

Suprox® Ready-To-Use Multi-Purpose Cleaner

PH	3.00 - 4.00
Non-Volatile Matter	<2.0%

Safety

See safety datasheet (if applicable) and product label for safety information, handling and proper use.

Directions for Use

Do not dilute. For wall surfaces, spray on tile and grout, let stand for 5 minutes, agitate with soft brush, rinse with clean water. For tile floors, pour product onto area to be cleaned, spread with brush, let solution stand for 5 minutes, agitate with brush or floor pad, pick up solution with a mop or wet vacuum, rinse with clean water. To conserve energy always use cold tap water. NOTICE: Do not use with ammonia or bleaches. Do not use on marble, terrazzo, resilient flooring, aluminum, or galvanized metal.

A powerful tile and grout cleaner formulated with the cleaning power of hydrogen peroxide. It contains thickening agents that help the cleaner cling to surfaces, maximizing contact time for better performance. Suprox Ready-To-Use can be used on most tile and grout surfaces, bathroom and shower room surfaces, and bathroom fixtures like sinks, toilets, and urinals.

Features & Benefits

Cleans with the power of peroxide

Thickening agents maximize contact time for better performance and make application easier

Reduced toxicity for safer cleaning

Item Number & Unit of Measure

Item Number	HIL0010806
Unit of Measure	1 gal Bottle

Specifications

Color	Clear
Appearance	Colorless to light
Fragrance	Fresh & Clean
Formula Type	Liquid
Dilution Ratio	RTU
